

# Essay Conclusions

The conclusion paragraph is your

to make an impact!

Follow these steps to leave an impression:

Remind the reader of your thesis purpose (but not in the same words you used before).

Answer the question, "So, what?" Need help? Try answering one of these questions:

- How does this information apply to everyday life?
- Why is it important to you personally?
- What benefit can be gained from this information?

End with a concise but memorable thought.
